

Malmö, Sweden
November 7-11 2000

The Festival "Who's next?" 2000 will be held for the third time this year in the Swedish city of Malmö. Unlike the first two years, in 2000 the festival will host only national bands from all over Sweden and somewhat the Nordic countries. As of 2001, we hope for the next international edition of the "Who's next?" Festival.

The 2000 edition: November 7-11
